7.1.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year:-

The following are some measures initiated by the institution for the promotion of gender equity:

The safety and security of all the students has always remained a prime concern of the institution. For that, the timings of the college is quite convenient for the girls who commute from the neighboring villages. Sports practices and other activities are completed before 2 pm. In case of staying back, the girls are escorted to their homes. Self-defense programs are held at regular intervals. During exams, elections and annual day celebrations, presence of the police is insisted. The Anti-ragging Committee is formed for the safety of all the students. Separate rest rooms and wash rooms are there for the girl and boy students. Academic counseling is available to all. The girls are counseled informally regarding their personal and/or social problems. The Women's Committee organizes a number of activities for women empowerment. This committee, however, is formed for the safety of both the girl and the boy students. Fortunately, no serious kind of complaint has ever been registered to this committee

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

### 7.2.1 - Describe at least two institutional best practices

#### Best Practices

**Title of the Practice: Swachh Bharat Abhiyan -**

**Cleanliness drive by college.**

**Objectives of the Practice: Swachh Bharat Abhiyan is one of the most significant cleanliness campaign by Government of India. The college gave special focus to this Swachata Abhiyan and conducted various activities throughout the year.**

**Public places see a lot of carelessness about cleanliness. It is observed that after most of the 'Sarvajanic' festivals, the public places like road, railway stations, beaches, etc. get flooded with wastes and garbages. The college, through its various activities conducted by different departments tries to ensure cleanliness and also spread the message of importance of hygiene and cleanliness in the vicinity. The college also joined hands with Gondia Municipal Corporation, NGO's and different agencies and participated in many cleanliness drives to achieve the objective of this practice.**

**Students put in days of hard work to ensure cleanliness of their surroundings and achieve results too. But it is observed that other civilians who are ignorant about keeping their surroundings clean and hygienic bring the whole situation back to square one. This leaves all the efforts taken by the students in vain.**
