

Report on  
**Student Satisfaction Survey**  
**Session 2020-21**

Students happen to be the integral part of education system and they are the important stakeholders of higher educational institution. Our college is committed to provide holistic education to our students who belong to socially and economically poor background. Nonetheless, we try to satisfy our students to the optimum level by standing up to their expectation. Having this resolution, we put forward Student Satisfaction Survey every year. We prepare relevant questionnaire by following the guidelines of NAAC. The responses received from the students are compiled and analyzed as well as the report is prepared and displayed in the college website.
